The Premises:

This location is a private, modern flat about 1 - 2 minutes from Kings Cross station.

The Lady:

A Chinese girl, late 20's dress size 8, 34B breasts.

The Story:

This is a nuru massage place, but I opted for a straight massage with a hand finish. The massage was of the sensual, ticklish type and it did the trick erection wise. The relief was suitably slow and I took the opportunity to suck on Tracy's long nipples.

I think the flat is shared by several girls and I would go again if I am in the area.
