The Story:

Things to do before you die! This was my first 2 girl and if you have never had one these are the girls to break you in. I was welcomed with both girls in stockings and suspenders flashing just a glimpse of flesh. I was taken into the bedroom where the girls plied their trade. The toys came out and I was in heaven. Nothing was too much trouble and when I came I nearly fainted. To have Isabella giving you a BJ by while you're licking Eve?s pussy is a pleasure I won?t forget in a hurry. I've already booked my Christmas visit.
