### The Premises:

Elegant flat in a pleasant area. Easy to find. Plenty of people about. One flaw - at the time of the visit the shower in the separate bathroom was not working because the shower fitting was missing, so a quick bath had to replace the pre- and post- action showers.

### The Lady:

Very pretty. Slender, natural, smooth skin, wonderful eyes.

### The Story:

An intelligent, charming and extremely sexy woman. Her kissing is extraordinary - intense and intimate. She is good with her mouth in other ways. And the rest of her body is delightful too. I left wishing I could have stayed longer with her(in more than one way),and spent the rest of the day floating.
