The Premises:

An isolated bungalow in the countryside just west of Reading. And safe. You need a car to get there.

Bedroom has large windows leading out to the garden, which I found added to the experience.

She put on some lovely music in the background.

The Lady:

Gabriella is a cheerful, friendly Polish woman, I think early 30's. Very attractive and an absolute tease, which I enjoyed.

The Story:

Found her on the other site, and as I always do checked and confirmed by FR on P/Net.

Wonderful to chat to and she loves to tease, in such a playful way, creates a most enjoyable mood.

I never divulge details; it remains private and is dependant on the chemistry; but Gabriella delivers what she promises, very cheerfully and sensually. She obviously likes to please and is very safe.

I was sorry when it was time to leave - always an indication of enjoying the experience and did not want it to end. Very good value for money. And I slightly exceeded the time, my fault, I talk too much, but no clock watching, and was never hurried in anyway.
