### The Premises:

Clean and safe as always with Annabella's, discrete and tasteful apartment near city centre

### The Lady:

lovely girl with gorgeous ebony skin and a naughty smile. Great figure with a few tasteful tattoos here and there - had to have a very close inspection of these.  
Dark eyes that you can lose yourself in.

### The Story:

Santana walked into the room, my eyes lit up and she noticed my smile instantly, she is just my type and I made that clear.

What went on from that moment was superb and we both obviously enjoyed it, Santana is incredible and warm with the whole PSE enthusiasm thrown in too.

Highly recommended, I will be back.
