The Premises:

saw her primarily at my place, and at Lancaster Gate hotels a couple of times

The Lady:

young early 20ies Polish slut with a beautiful, model-like face, dark hair, petite

The Story:

In my perennial search for the ideal cheap slut, I came across this jewel who's dirt cheap, has the face of a model, absolutely adores being fucked really long and really hard; devoures cock with passion; and takes cim with ease and on demand. Dont expect great conversation, but you will indeed be able to drill into her for as long as you want and in any position you like. Seen her 6-7 times this year and fucked her relentlessly, including a few steamy sessions standing by the wall and some deep and frantic doggy; as well as fucked her face regularly and poured tons of cum in her mouth. In fact, if you like cim, there probably is no more welcoming mouth in town these days. She is also at London Escort Eye Candy. Go see her and report..
