### The Premises:

High class mews house on a busy road. Inside is very nice, with a high class hotel feel about it.

### The Lady:

As described and shown on the website. She is probably even better looking in person and has the most amazing body. You simply could not be disappointed

### The Story:

Without going into graphic detail, this could be the best visit I've ever had. Sarah was beautifully dressed and absolutely stunning undressed. Her conversation was engaging, and I constantly got the impression she genuinely enjoyed our time together. Physically her perfect breasts are what will stick you most, but in truth, her entire body is perfect. Sarah is a self-confessed oral queen, and I am pleased to say I can now vouch for that personally. Her technique is beyond description, and she is as close to feeling like a girlfriend as I have ever experienced. In summary, she is perfect; visit her if you get the chance.
