The Premises:

Large well presented flat close to the tube station.

The Lady:

Very attractive lady in person - more like 25 rather than 19 but super pretty nonetheless. Met with a big smile and is relatively new to the business.

The Story:

As mentioned Alexia is mid 20s rather than a teen. However, was exactly my type of girl as a gym bunny - boobs are nice but not super perky. Started with some nice DFK, amazing OWO (she seemed to be willing to CIM) but not my cup of tea. Followed by some vigorous sex that she seemed to get into and exhibited her athleticism. Chatted quite a bit that we didn't have time for a second round so finished with a quick wank. Would highly recommend.
