### The Premises:

Nice modern flat which was well furnished in a new build.

### The Lady:

Exactly my type of lady - petite, toned, blonde, beautiful eyes and a cheerful personality.

### The Story:

I have seen Mia a few times. She does have some body art on her hips which I normally don't appreciate - but as it is tasteful and not noticeable wasn't an issue. Mia is an educated thoughtful person with whom I have shared some nice chats. The physical aspects were a lot of fun and Mia performs with enthusiasm as advertised on her list of services. We connected and I really am fond of this lady and have no hesitation recommending. Goes by the name Mia on the purple site with full stops before her name. Her attractive face is unfortunately blurred.
