The Premises:

Small but tidy little flat - room was a bit cramped but good enough.

The Lady:

Like a young Pamela Anderson in person but with no enhancement.

The Story:

Alex was nice but a business like also has a large tattoo on her back. On the plus side she is stunning and could easily be earning a lot more. Also earned marks as she called me a tiger in bed. I paid for 30 mins - when her rates were slightly higher I understand from her updated profile on the purple site this has gone down. Reasonable for what she offers - straight sex, covered oral and no FK. Very attractive and would recommend for the price. However, I will not be returning as OWO and FK are basic services that I require.
