The Premises:

Her place was a nice small flat. The agency initially texted me just the house number. Knowing the grandness of the houses on the street, I knew flat number would also be required, so I phoned the agency to ask for this. I was told rather rudely to call back when I was outside. I would have preferred not to have had to go through that step at a time and place it's not necessarily convenient to do so, and would have preferred the agency to at least handle this unusual piece of protocol politely. Nonetheless, it worked out in the end.

The Lady:

Katia is so cute. She is very petite - absolutely tiny. In a good way. Physical description on the web site is a fair bit off. She can't be much over 5 feet tall, and is definitely an A cup. Very attractive though. Her hair is completely different from the photos, and I'm not even sure it's the same girl. Still, I was certainly not disappointed. She is 20 years old and Romanian.

The Story:

I was immediately blown away by her sheer cuteness. I gave her her present straight away and had a quick shower. I'd just showered any way but she wasn't to know that and I wanted to show willing.

She speaks almost no english but we managed to communicate just fine throughout.

She asked if it was okay to smoke. I fancied a ciggie too and so we both had one standing face to face. Her dressing gown and my towel soon fell to the floor. While smoking we kissed each other's bodies. I was caressing her gently and soon built up enough trust to be kissing deeply. The enjoyable and intimate kissing continued through the rest of the appointment, which I really appreciated.

She laid on the bed and I kissed her body all over. I stimulated her orally, and she returned the favour a bit before the condom went on. We had sex in missionary for a while, which was ideal with the wonderful kissing.

We moved into a spooning position and she arched her cute little body very nicely for this. Her petiteness was great here, as she was completely enclosed in my embrace and seemed very

comfortable with it. The sex got more energetic and after I came, her first priority was not to get the condom to the bin, but rather to have some more lovely post orgasm kissing.

It was pretty much time to go but we had a nice little play as I got dressed.

If you want a gentle and sensual time with an adorable cute young woman, Katia would be ideal. For more outright naughtiness, I imagine you'd be better off looking elsewhere.
