The Premises:

Nice, clean and well decorated flat in a quiet part of CMK. It's safe, discreet and there is plenty of parking available.

The Lady:

As per website, she's a beautiful mature MILF, leggy, size 10, big enhanced boobs but they feel nice and soft, brunette, and eager to please. She also has a posh feel and has great taste in lingerie. The site of her ass in a tiny thong got me going.

The Story:

Dee has returned to MK after a period of absence. I was after a beautiful MILF to fuck so booked in with Dee. Dee asked what I wanted, and I asked to be her toyboy. We started kissing (closed lips) and caressing each other, when Dee started to undress me. She then asked me to get on the bed so she can have her way with me.

She then laid on top of me and we continued to kiss and caress each other, there was some occasionally tongue use when I asked if she French kisses. She then went down and gave me some OWO and licked and sucked my balls.

After which she knelt over me so I could begin sucking on her big boobs, which although enhanced felt soft and supple. I then pulled her thong down and she lay down and let me lick her sweet pussy. Dee began to rub herself too until she cummed.

I then asked to fuck her, and she rode me in cowgirl and was eager to fuck me in various positions and let me fuck her with her legs high up in the air. I then finished by cumming over her boobs.

Overall if you have a MILF fantasy and would like to spend some time with a beautiful MILF, I recommend Dee. But I think the lack of French kissing may be off putting for some.
