### The Premises:

Clean, safe area, basement flat. As others have described.

### The Lady:

As described on web site.

### The Story:

Mixture of spanking and erotic teasing. With each more intense spanking Danni traded items of clothing until she was naked. Between each spanking she teased deliciously.

Managed to hold out for all of about 30 seconds after she jumped on top after the final spanking; sorry about that Danni. Will try and do better next time.
