The Premises:

Her place is a block of flats close to Gordon Hill Train station. It is on the ground floor and they are the only flat at that level so it is very discrete. Inside it is very clean and tidy with candles and fancy decorations.

The Lady:

Sophia is from the Czech Republic she is has very big tits, long blonde curly hair. She has a very good figure and can speak very good English.

The Story:

I found this place from the local paper but when I called them they told me about their website. The place was easy to find.

I was greeted by Sophia and asked what i would like. After I had payed Sophia asked me to strip and lie on the massage table. She gave me a good massage with hot oil, front and back then started to wank me off teasingly. After i had shot my load I was offered a very nice shower.

This place does not seem to offer any sex, just a massage and wank. I will be going back to try their 4 Hands massage service.
