The Premises:

A 5 minute walkup from finchley station, i got lost initialy but seconds later received better directions with her funny thai english .lol

The Lady:

Barbie turned me on, from her picturs, and in he flesh my heart was racing, i couldnt wait to see those big dark pussy clit of hers.

As she walked up the stairs i could get a small glimps.

The Story:

This is how the event unfolded. as soon as i was in her room, i handed the cash. she said i trust you and didnt even count it.I declined shower, so we headed for the bed. As i was removing my pants, Barbie took advantage of me, sucking away as deep as possible. still with my shirt on , we went on like mad sex dogs.kissing sucking, and in 69. I loved her rimming skills which was quiet deep, sex was from her pussy to her anal. and she took it well, am a 9 inch guy and her as was in the air begging me to fuck deeper. i finaly came deep in her mouth, and was done.I never fucked like this in ages , my legs are still shaking. what a beauty.Am thinking of returning tonight. c u babe
