The Story:

Appearance:- Sally is very attractive, probably more than she realises.

Personality:- Lots of fun to spend time with, chatty and ensures you enjoy yourself.

Time:- Full 120 minutes enjoyed.

Services:- I had the Body to Body massage. I had actually tweaked a muscle in my back the day before as it turned out. On mentioning this to Sally, she worked her magic on the problem area.

Very good sensual massage.

Comments:- I have been seeing Sally regularly for over 2 years, initially at another establishment in MK where personal services were offered and then over the last few months at Ego. Over that time while I have seen other WGs, Sally remains my favourite girl to see. A booking with Sally is my ideal afternoon and this was as great as those before it. The only girl I have seen where even after spending 2 hours with her, it doesn't seem enough.
