The Premises:

Easy to find and very safe location. A 5 minute walk from the station

The Lady:

She's definitely worth every penny. Mid twenties and speaks perfect English with an arse to die for.

The Story:

Ava greeted me at the door with a really tight black dress. After the money was exchanged I had a quick shower and she had changed into the best lingerie I could imagine possible on a woman. No clock watching and by the end of it I thought I'd got a bargain. Definitely see her again.
