The Story:

I have seen Hailey before at La maison about 3-4 years ago when she was blonde.

The dark hair is quite a change from how I remembered her but still a very sexy look.

Lots of kissing to start, OWO was okay but nothing special.

She has a great body to look at and feel which is always a bonus.

Stripped off all her clothes and back to OWO before having sex in cowgirl and from behind.

There was nothing wrong with any of the service and Hailey was easy to talk to but I left a little disappointed. Why, well when I had seen her in the past I would have put her down as a special punt but on this occasion Hailey seemed to lack that extra ingredient.
