### The Premises:

Standard Basildon/Laindon estate type house, area of parking handy, then a walk through communal areas to the door. Easy to find though, which isn't always true of these places. The house itself was clean enough and room fit for purpose.

### The Lady:

5ft 5ish, long blonde hair, tied in a pony tail, blue eyes, sweet smile, soft kissable lips. Says she's 27, which might actually for once be over egging it, I would guess early 20s, maybe 25 at the outside. Soft skin, curvy, without being heavy.

She's Polish, with a nice accent and great English.

### The Story:

This was a bit of an opportunist punt as I didn't have long. I had tried a couple of times previously but timings hadn't worked but this time I called and, yes, she was free. I knew the road but overshot as the numbers one side are higher than the other but, once found, the house was nice and welcoming, as was Natali.

We started with a massage, me face down, which quickly turned to body-to-body, hot breath on my neck and ears, hand roaming. Then kissing with enthusiasm, mutual oral, lots of moaning and writhing, and finally covered penetration, lots of eye contact and a breathless finish.

She's heading home for the holidays shortly but says she'll be back in the New Year. Definitely a keeper, highly recommended.
