The Premises:

Well known parlour near the train station. Clean and functional, does what it says on the tin.

The Lady:

Gorgeous petite 19 year old Bulgarian with great tits and a really tight pussy. Well proportioned and a body made for sex.

The Story:

Great punt. Started off with her sucking me off without and then covered up and blew me until I came in her mouth. Lots of great tongue action and covered my cock and balls in red liptick, a fantasy I particularly enjoy.

After a massage it was onto round two, and it was truly delightful to see her cute little arse bouncing up and down in the mirror as she rode me. After that I just had to take her from behind and the eye contact as I rode her hard doggy style made me cum in no time.

Nice girl, top body, great fuck. Will be back again for more.
