### The Premises:

Minutes from Paddington, a flat used by a few woman. It was very safe and the bedroom and bathroom very clean. Shower very hot, I like it that way.

### The Lady:

Michelle is a small Thai woman with classic features ie beautiful. Her fantastic skin, body to die for and smile all made for a great introduction to an hour of fun.

### The Story:

Michelle has a straight view of sex, her blow job without got me to the edge as I licked her perfect pussy. She does not allow fingering but a tongue is fine. In an hour I like to cum twice. With this woman this was never going to be a problem. The condom on I fucked her missionary and came in her very tight cunt with long lazy side strokes. Michelle is intent on delivering pleasure and plays an active role pushing back and gyrating. A short break and a chat. Her knowledge of the Thai sex industry was an eye opener. The second orgasm came in 69 all over her hand. The fantasy of fucking a very small woman was delivered by this gorgeous woman. A very cold day met me as I smiled my way home.
