The Premises:

A small place in a good residential street in a good area. Inside it was very cramped - bedroom OK, but shower and toilet very small.

The Lady:

About 5'6". Quite pretty. She has tattoos all over her arms and back.

The Story:

A strange one this. She is on with several agencies and also goes by the name of Netty. She is a pretty girl, and quite fun, but didn't quite click with her. She gives a good performance, but it is pretty obviously faked and she is not yet that good at faking it, so it was all just fairly mechanical. She does not do kissing, but she has a good pair of tits which are nice to suck on. OWO for a while, then DATY and into doggy for round 1. She is smiley but not that talkative, so is not a good GFE, but could be later if she works on it. This is just a YES; OK if you want a pretty girl to pump without much else, but I wouldn't go back.
