### The Premises:

1 minute from Gordon Hill station in a new housing development. Easy to find (be aware the blocks are split into Odds and Evens).

It's quiet area but it's a bit exposed with lots of flats overlooking the entrance. Nice flat.

### The Lady:

Gorgeous. Tall, big fake boobs, very pretty, south american, slim.  
very pleasant, chatty, warm person.

### The Story:

The website is keen to make sure you know it's only massage and Jessica said the same on taking my money. That was fine, I thought, I was expecting a happy ending as the site says.. but I soon got more than I bargained for.

Very nice massage, hot oils but nothing really tantric about it - then got some OWO, OWC & French kissing. This was all too much and I came early but I'm sure I would be getting more next time.

She was very happy to continue to massage once I came, head massage, her full body laying on mine. That was nice as often you're chucked out after climaxing eh.

Only irritation was her mobile kept going off. put it on silent!

Otherwise, as very nice experience and I will return, I fancy the 4 hands service now.
