The Premises:

Nice discreet flat between Victoria and Pimlico. Inside the flat was warm comfortable and set in the right ambience for a massage. The shower facilities were good.

The Lady:

Kate is gorgeous; slim, tanned, about 5' 2" I think and size 6 or 8? Blonde hair (dyed) styled in a short pony-tail and she's beautiful. Dressed in a white massage tunic, with cleavage pushed up and out. Her body is incredibly firm.

The Story:

I had to go and visit after Mr Bloom's report. I'm not usually one to go and have a massage, but it could become a habit. Kate's massage technique was a mix of firm and light touch. She almost immediately got completely naked, and once the heated oil was applied, slid herself all over my body with lips, hands, limbs and breasts massaging me all at once. She asked me to turn over on to my back and continued the process as I stroked and held her oily breasts and body. This really was an incredibly erotic experience. She brought things to a wonderful conclusion, and then gave me a back massage to wind down.

Very highly recommended. Thanks Mr Bloom for finding a gem and thanks Kate for being Kate.
