### The Story:

This is now the 3rd establishment I have followed Danielle to. This is how relaxed I feel with her. She gives the best BJ I have ever had the pleasure of receiving and I don't rate BJs all that much! But I often find myself thinking of Danielle's technique.

In this epic encounter she managed to get me to finish with her on top and trust me, that is no mean feat as I usually go forever in that position!

She is not a stick thin blonde from EE (not that I am knocking those girls) but a girl next door cutey with a huge heart, bust and desire to make you have an enjoyable time.

Thanks Danielle...and remember it's Push, not Pull!
