The Premises:

A new 1bed flat close to Bletchley train station.

Only sparingly furnished but she did say she only moved in the day before so not had time to get more items for the place, but is a nice safe cosy place.

The Lady:

5'6" Redhead, very sexy with her glasses on but just as sexy with them off. Slightly larger than expected from viewing her online photos but she did say recently had a baby, but that still didn't detract the sex appeal towards her.

The Story:

Nervous first timer, so i opted to try Autumn for my first time, and wasn't disappointed.

We talk to try a while to calm my nerves down, trying to take it all in.

She took the lead and we headed into the bedroom. Once on the bed, she provided some OWO, loads of DFK too which i loved. She moved into cowgirl position, but my nerves got the better of me by this stage, but she was happy to help me out again, missionary was next which helped me more, and loads of cuddles inbetween.

Overall, loved the experience with her and would love to see her again.
