Notes: Formerly of Worcester

The Premises:

My serviced apartment, close to city centre.

The Lady:

Beautiful woman, 30s, Very well shaped. Dressed simple, elegant, practical and discreet. Her whole appearance is Confident, Polite, and well spoken.

Closer inspection reveals that the long red hair surrounds a Very gentle, Expressive face with a lovely girlish smile and slightly naughty, twinkling eyes.

I'd think she is a "Coffee personality": Sweet and Strong. But she'll probably drink Tea (Will ask next time).

No worries: Kate can probably fit in and be at ease in any environment. She also looks like the kind of woman that can get anything done from a man (or any person, really).

The Story:

Just Lovely!

Kate is quickly at ease, and she is a very nice person to be with. Choice of wine: Red (probably to go with the lips and the hair).

We chatted away very comfortably for a bit. Kate confirmed my first impression: she is a very nice personality who is great fun to have around. With her good sense of humour, quite often her girlish-giggle will surface making her look even more sexy.

Seems we both really wanted to kiss and cuddle as foreplay. No problem, and we started getting hot on the sofa already.

When we moved to the bedroom, things heated up even more. I was totally hot for this babe - sooo

my kind of Woman.

But Kate can also have the hots for her man: go slowly, gently with her, and you will be rewarded with a true partner in bed.

Kate loves kissing and cuddling, and that is exactly what I am after myself: a Lover-Experience. All the other action will follow automatically and with Kate, the experience is as good as it gets. When I am with this woman, all I want to do is to seduce her, make her happy, keep her with me. she is That good.

We need to arrange our agendas to meet more often.
