### The Premises:

She shared an apartment with others, her room was clean, spacious and sleazy, lots of red and lit candles. I felt completely safe.

### The Lady:

I asked the agency for another girl than the one I met. Looking at the pictures at the website in retrospect, the one I saw is easy to recognise and the pictures give a fairly accurate impression of how she looks. Slim and fit, medium pretty.

### The Story:

This was the first of three ladies I saw on the same day. Diana was very energetic, cheerful and active, talkative, playful and not holding back anything. A seasoned a-leveler and a good kisser, and very eager to persuade me to come back by using both words and deeds. The reason I wouldn't return is that I rarely do. She was very likeable and great fun to be with.
