The Premises:

Basement apartment. No waiting room. Had to sit in the kitchen to wait until the previous client finished. The bedroom is clean and spacious. The shower is very small.

The Lady:

Photoes are few yeard old and Amy has put on weight since looks size 10-12. Good looking. Enhanced boobs nice and soft. Age: they say mid 20s I'd say 28-29

The Story:

I have mixed feelings about todays punt. I wanted to see Amy for many many months but never had the chance. Today I was near Croydon so decided to go. Opted for a house special, Assissted shower was great. When we went back to the room she gave me a back massage (avarage) followed by breast relief and OW. Amy doesn't kiss (a let down) and no A levels. The whole experience was OK but I didn't feel the warmth I though I would. It was obvious that she is not interested and as soon as I came she was dressed. All in all good but I didn't feel the love ;)
