The Premises:

Rosie's flat was in a big old building that's been recently renovated. Very clean and warm. Rosie buzzed me in after following her texted instructions. No problem with safety or discretion. The shower was great - just what was needed on a freezing day.

The Lady:

Rosie is a very pretty Irish girl in her early twenties. Great porcelain skin, long brown hair, blue/green eyes and a fantastic Hibernian derriere!! A lovely, soft Irish lilt. No complaints from me at all.

The Story:

Rosie has plenty of feedback both on here and on the other site. She also has her own website showing pictures. These all give a clear view of Rosie's looks, charm, personality, likes and dislikes.

A very intelligent and open girl. She's pretty open minded and up for most sensible things. Disappointment is not an option! All the other feedback is spot on. If she was half my age I'd marry her in an instant!
