The Premises:

Nice area, close to the center of town. Clean modern flat.

The Lady:

Very pretty and petite women. Everything I'd hoped for from her previous descriptions.

The Story:

From the moment I arrived she was warm and engaging, making me feel very at home(no small feat since this was my first professional experience).

Conversation flowed very easily, within minutes it felt as though we were old friends. What followed was wonderful and I hope to be able to repeat the experience again very soon.

Please treat her with the respect she clearly deserves.
