The Story:

Excellent communication throughout the lead up to the appointment. Once I arrived at the hotel I called Alicia and she gave me excellent instructions on getting to her room without arousing any suspicion. Once inside, we had a short chat, I then took up the offer of a shower, and following that we had a chat that led naturally into Alicia offering me a massage, after a short time, I turned over for some good DFK then onto a very sloppy blowjob with deep throat - heavenly! After a short while it was my turn to lick her - she seemed to enjoy this and got very wet. "On with the condom," she said "no need for lube," she added with a twinkle in her eyes. Started with cowgirl followed by missionary until I cam inside her. A nice post-coital chat, a shower and then I left. No clockwatching, but an excellent GFE - a most enjoyable hour or so in the company of a lovely lady.
