### The Premises:

Ok neighbourhood, the room was small but well kept and with lit candles and an intimate atmosphere, I felt very welcome.

### The Lady:

Jenny is a petite, sweet thai lady, very much like her pictures, her smile is a revelation and nearly worth the visit in itself. Her friend Sunny also is slim and petite.

### The Story:

This was my first duo ever and I was nervous because I didn't know what to expect. I couldn't have had a better debut than with these two. After the shower I enjoyed Jenny first, then Sunny, then both again back entrance, then Jenny again the normal way. Both gave me their full attention all the time. I've replayed this encounter in my mind quite a few times after seeing them, and if the winter feels too long, I know where to go for a booster of thai sun and pleasure.
