The Premises:

Stunning hotel near to Heathrow airport.

The Lady:

Lovely set of boobs. Not as good looking as the purple site reviews would suggest. But all in all not bad.

The Story:

I was expecting fire work because of rave reviews on the purple site. But was disappointed. Kareena seemed disinterested. Conversation was like getting blood from a stone. Sex was mechanical. Eventually asked her to finish me off by hand so I could leave. A real pity as I have a sweet spot for Indian girls.
