### The Premises:

Plenty has been said about Debbies previously. So nothing to add here.

### The Lady:

Debbie has plenty of reports here, all I will add is that she appears to get sexier as she gets older.

### The Story:

I had to wait for a while before Debbie was available, but the wait was worth it. It shows how popular Debbie is. I had my usual when I visit, the house special, including shared shower, which is great fun when sharing with Debbie. Lots of kissing and playing, which we both enjoyed, Debbie actually cumming all over my fingers. Lots of oral both ways, before finishing off with Debbie on top. Then laying back chatting for a while before leaving. Debbie just gets better and better every time I see her, this will not be my last time seeing her that's for sure.
