The Premises:

Nice little apartment in central B'ham. Flat was in a new residential area so nice surrounding area. Not the easiest place to find tho and parking was a nightmare. Pretty sure there was a guy in the next room watching TV which wasn't great.

The Lady:

I was greeted by a petite mediterranean girl with olive colour skin, very pretty and pleasant and lovely body. Girl I had booked (jade) was white and english so I was a little surprised. Decided to stay anyway even though it was obviously not the correct girl.

The Story:

Conversation was difficult because it turned out girl was in fact Greek and her English was a little broken. Started with a massage, then fantastic BJ (despite being covered, she did not do OWO). Sex was a bit disappointing though, she was not very enthusiastic really and complained that I was tickling her all the time! Ended up leaving before my time was up. Actually feel a bit ripped off now because it wasn't the right girl and the sex was poor. Should have walked away when she opened the door really.
