The Premises:

A flat which was clean and tidy. A comfortable bed. Shares the premises with another girl who I didn't see. Felt very safe ... parking can be an issue in this area but it wasn't for me I parked close by.

The Lady:

A very sexy lady approx 45 but looks younger. She met me at the door topless ... all I can say is wow. She has a magnificent pair of breasts and nice big nipples.

The Story:

This has to be the most enjoyable time I have ever had ... she takes her time with you . Offers a range of services and her shaved pussy tastes divine. Her oral skills are excellent and she knows how to please a man. She has a very gentle touch and her skin is like velvet. Her best features are her sensitive breasts and she has an arse to die for. I spent sometime with her after just chatting ... she is so easy to talk to. Excellent value for money... I won't be going anywhere else!! She only does a limited number of appointments each day. If you get the chance visit Sophie you won't regret it.
