The Lady:

There she stood by the door in a sexy cocktail dress with a warm smile. With a petite but at the same time curvy figure. Long and perfectly shaped legs with high heels shoes. The way she looked at me I wasn't sure if we were going on a date or just skipping to the best part. She was soft and warm with a sweet smell of warm young skin. Her ass was curvy but tight, her breasts small and sensuall with a perfect nipple.

The Story:

Bettina is like how you dream heaven should be. When you come to that age that you appreciate the better things in life. A good wine. The perfect meal. The woman of your dreams, you should look Bettina up. She is worth more than your money. I will definitely see her again.
