### The Premises:

Very nice apartment, a couple of minutes from J17 of the M60. Safe and discreet with off-street parking.

### The Lady:

Have a look at her website. Tina is pretty, with striking black hair. Tall, excellent legs and nipples that stand to attention at the slightest provocation. She was wearing a black minidress and high heels - very sexy.

### The Story:

It's been a while since I visited Tina - largely because she only offered incalls on Saturdays - a day that isn't possible for me. However, I noticed that she now does incalls on Tuesdays as well so I booked in.

My last review referred to Tina as a 'female hurricane' and I wondered if, in the intervening period of time, she had downgraded to a tropical storm, or similar. I needn't have worried - Kinkster is still full-on - a force 9 experience on full blow.

After a quick drink and chat to catch up on the past, we retired to the bedroom. (Retired is not the correct word!). A whirlwind (hurricane) of OWO, sex, kissing, giving oral, etc, ensued and I was introduced to the Magic Wand, which was a particularly erotic shared experience. After a bout of deep throat, I exploded into her mouth in a gush. Another quick chat, then I went on my way.

It won't be long before I return. She's a special lady, is The Kinkster, and we should all be grateful that this is her chosen profession. I have plans for further experimentation on my next visit.
