The Premises:

Clean, easy to find flat (a little on the small side esp the bathroom) 1 minute walk from Paddington station.

The Lady:

Pics on AW, add 10 years on though. 5ft 5, bottled blonde, busty, deff not 23 yrs old as advertised.

The Story:

I was meant to see her flatmate but when I called to get the address I was told by Anette she was the only 1 available as her friend was on a outcall, I usually don't see "friends" but as I was only a minute away, my cock won the dual with my head !.

Friendly enough wasn't feeling the good vibes though, all felt a bit mechanical & someone moving about making noise banging doors in the flat did'nt help so about 10 mins into the booking I asked if I could change to a 1/2 hr booking instead but she flatly refused. I just got on with it, shot my load in mish & despite her offers of a 2nd round or massage just got dressed & left.

Would give this 1 a miss, there's more enjoyable punts out there
