The Premises:

flat in north cheam, ample free parking in the nearby sainsburys. bedroom and waiting room have just been re-decorated and looking rather smart.

The Lady:

stunning tall blond with lovely long legs, and an arse to die for.

The Story:

libby came and introduced herself to me in the waiting room as she was about see another client, as soon as i saw her i thought i was going to be in for a fun time, and so it was.

libby is an experienced and consummate professional, she gave me a fantastic time, very friendly and talkative and keen to please, we had a really raunchy session with loads of filthy talk, plenty of oral (both ways) and she fucked me with great enthusiasm, firstly reverse cow girl, next doggy, and finally missionary, all the time libby was talking filth and urging me on, she really is a great fuck!

libby is a very versatile girl and likes to role play and if you prefer her to be a bit less vocal, or more of a girlfriend experience, then she is fine with that too.

she told me that her usual day there is a saturday and it does get busy, so you may need to book to avoid disappointment.

i didn't have this today, but she also does A levels and cim.
