### The Premises:

Nice little flat. Safe area, easy to find if you follow the instructions - I was pretty crap but Kirsty patiently led me to her place.

### The Lady:

5'3", blonde, green eyes, 34DD, lovely smile can chat for Britain but interestingly and expects you to join the conversation. Slim and gorgeous with it.

### The Story:

Bit of chat, bit of massage, bit of lapdance, O with, got to play at the Y, sex was too short (my fault - don't do it often enough!). Kirsty offers plenty and has plenty to go round, thoroughly enjoying her job - plenty more chat and no time watching - probably was 45 minutes in all.
