### The Premises:

Pleasant enough flat nr DLR station

### The Lady:

Pretty 20 year old size 12-14 with a nice smile wide hips and massive breasts

### The Story:

A variable punt- Kim is a pleasant good looking girl but provides a service more limited than advertised (no kissing 69 or anal). She is a little inexperienced shy and a bit fussy but warms up as the session gets going and certainly enjoyed a fairly prolonged round 2. Two rounds with a nice massage in between, fair bit of RO and OWO and plenty of attention paid to Kim's lovely breasts and outsize nipples.V little conversation and lack of kissing a shame but plenty of plus points
