The Story:

Amy is an experienced Leeds based escort with exactly the look (and the body) I go for. She followed my clothing requirements to the letter, wearing a red leather basque (which only made her ample bosom more jaw dropping) and sexy high heels.

The service was relaxed and delightfully erotic. We kissed, she performed very good OWO. Amy clearly has skills in handling a man and we went through a range of positions before she brought me to a shattering climax.

Amy is feminine (with huge natural boobs) and a minx to boot. I recommend her highly. Satisfaction is guaranteed.
