The Story:

Although a lovely girl , Ruby is not up to the normal standards of this establishment. Asked if I wanted a massage , which of course I did . But was not really given the choice between talc and oil. Ruby blatantly wanted talc , so that's what I got.

I have to say it was a good massage , which I did enjoy.

After this , down to business . Where I was told in no uncertain terms that although she kisses "No Tongues" as she keeps that for herself, at that stage for me the punt was ruined. As one of the main reasons I go to the Directors lodge , is the relaxed natural way things are done , I especially love a good snog.

So of we went anyway. Bit of 69 to start . I was. Dismayed to find she was already covered in KY . Not really nice as again. The taste of pussy is something I love.

I am not going to say much more apart from Ruby , although a lovely girl and in another establishment may be ok . Here she was not what I expect , standards wise!
