The Premises:

GFE is well reported to be a clean friendly establishment, with good parking, in a safe location. Pleasant reception area and receptionist, rooms are comfortable and clean.

The Lady:

Tall, slim blonde, very friendly, soft Liverpool accent which I liked. Lovely toned body although she says she doesn't work out - must be lucky!

The Story:

On a wet grey day, Heidi brought a huge ray of sunshine flooding into my afternoon. Began with warm kisses and cuddle, then she gave me a very soothing soft massage on my back, I especially enjoyed her lovely breasts and long hair softly brushing against me.

Then I rolled over, and Heidi gave me gorgeous oral for several minutes - soft, slow and sexy, accompanied with delightful little murmurs of encouragement. Then it was my turn to explore that wonderful lithe body, kissing and caressing her lovely soft skin starting at her neck, lingering on her breasts, tummy, and then her sweet pussy, which seemed to be particularly enjoyable for us both! Then she gave me a little more oral before mounting, slipping me into her welcoming warmth and riding me, expertly varying the pace and pressure as she wanted, until I felt the point of no return approaching. She rode harder then, until the pressure in my loins reached its peak and I finished in a wave of pleasure.

Heidi is a lovely looking girl with bags of personality, and I am so grateful that I was lucky enough to spend some time in her company, hope to get the chance again soon! Thanks Heidi, C x.
