The Premises:

This very modern flat with a discreet entrance is just North of Holborn tube station.

The Lady:

A mature Japanese lady with a medium figure. I would guess she may be in mid 40's. She was wearing a matching black bra and briefs.

The Story:

This was a massage and sex service, but I also received covered oral. The massage was very firm and relaxing. The condom was placed on me with Yoko's mouth, a nice trick. The sex was in missionary position and I came after a few minutes.

I would guess other girls share the flat.
