The Premises:

Typical basement flat - few other girls cleaning up when I arrived. Pretty safe. Shower facilities, used before and after.

The Lady:

No hiding shes a bigger girl on the photo on the Purple banner site, but a bit larger than I would have liked and not your typical Latvian. Having said that chap stood to attention so wasnt all that bad.

The Story:

Pretty business like, no intimacy. Could have been having a hair cut for all the lack of contact and foreplay. I would say she was just going through the motions. She asked what I wanted I said a bit of kissing and oral on me to start - she said just oral. Not too bad - had worse. Moved on to the main event after a bit of DATY. Unfortunately the type that just keeps her eyes closed, no eye contact or real GFE contact. Ad said deep FK- No there isnt!. No fingers inside either. Blew my load but not a great punt. Decided against a second pop as tight for time and didnt fancy it. If you dont mind a heavier lass and a dab and dash for reasonable money she'll do- Otherwise a lot better out there for slightly more cash.
