The Premises:

The place is easy to find, plenty of parking near by and discrete. In-side the place was clean and tidy and I was immediately at ease.

The Lady:

Alex is another European lady, her English was fine she is very sweet. She is very fit and the photos on the site do not do her justice. She is in her mid twenties, I think and gives one the impression she could be a secretary on a day off.

The Story:

I was welcomed with a lovely kiss and a warm hug. She really was very natural. We quickly moved to bed where I was keen to get a little closer. I loved playing with her firm and sensitive breasts which clearly had the desired effect as evidenced by the moisture when I reach her lovely fragrant pussy. We spent sometime in a 69 as a prelude to the condom application. We tried a number of positions before the finale in a very memorable doggy.

I really enjoyed myself and I think she did too, highly recommend.
