The Lady:

Wow, Wow, Wow; Been looking to visit Vanessa for quite a while and have finally done so, I was not disappointed. She has a fabulous figure, curves in the right places and a smile a mile wide !

The Story:

It was one of those sessions where things just clicked. She walked in the door, walked up to me and we kissed. Intense few moments whilst our kissing grew more passionate, she slid down and took my cock into her mouth and hilted me; I nearly came then and there. She kept teasing me, but somehow I kept my powder dry; onto the bed and to make myself wait a while longer I offered oral on her; she was eager and so I did; Licking gently as her hips started to move and within a minute or so she was grabbing my hair and head was rocking from side to side as her orgasm rushed thru her; I quickly rolled a condom on and plunged into her tight pussy; riding her orgasm and quickly bring her to another as I pumped deeply. We cleaned up and chatted, then she slide down and swallowed my cock again, we kissed and then she wrapped another condom on and we fucked in several positions before she and I came together again. What a ride, she was tight and responsive and I can't wait to see her again for a repeat performance.
